OLYMPIAD CURRICULUM

The eAbhyas Academy

7

Olympiad Foundation Programmes

BENEFITS FOR ALL THE STAKEHOLDERS

STUDENT

- ✓ Students understanding of concepts and skills such as creativity, problem solving and logical approach will increase through eAbhyas Academy's practice based Olympiad curriculum.
- ✓ Students competitive spirit and confidence level increases with the help of regular Olympiad exams assessment and state wide ranking.
- ✓ Students will emerge as Academic & Olympiad toppers by the end of the year with the help of systematic approach.

TEACHER

- ✓ Teachers skills development through online workshops and help line from eAbhyas Academy central office content team.
- ✓ Well researched micro schedules and assessment support from eAbhyas Academy will help the teachers to deliver quality teaching while saving time.
- ✓ Improvement in subject knowledge, teaching skills leading to better learning outcomes.

SCHOOL

- ✓ Schools can implement Systematic, age appropriate and corporate style of Olympiad programme at an affordable amount.
- ✓ Schools will get relief from the burden of preparing, printing and evaluation of IIT / MEDICAL / OLYMPIAD foundation question papers and answer sheets.
- ✓ Schools can run the programme effectively with the help of limited available staff.
- ✓ Schools will get wide range of publicity through the award function and other promotional activities from eAbhyas.
- ✓ Schools can own the pride of being a perfect Olympiad school.
